Touring Timeless Campania

Over the past 3,000 years, the region of Campania in southern Italy has been an ancient Greek colony, a Roman resort area, a center of the Renaissance and home to Naples, modern Italy's third largest city.

Much of what the world considers "typical Italian cuisine" began in Campania—from pizza and mozzarella to spaghetti with clam sauce, eggplant parmigiana and delicious desserts like sfogliatelle. Naples, the capital of Campania, produced nearly all the classic Italian songs including *Santa Lucia*, *Funiculi, Funiculà* and *Torna a Sorrento*.

Now the Sons of Italy, the biggest organization in the United States for men and women of Italian heritage, invites you to explore the traditional cuisine, ancient cities and breath-taking vistas of timeless Campania.

Your "home" for the week is the Grand Hotel Salerno, a **four-star hotel** in centrally located Salerno. From there you will take **daily excursions** to the region's marvels in Naples, Pompeii, Sorrento, Capri, the Amalfi coast and Caserta.

Along with tours by your personal guide, you will have time for **shopping and sight-seeing** on your own. Breakfasts and dinners feature Campania's unique cuisine and wines.

Personal itineraries for travelers who wish to extend their visit can be arranged, subject to availability of hotels, auto rentals and airline passages.

Clubs, lodges and groups can reserve "**Members-Only**" tours. However, all reservations are on a first-come, first-served basis and require a minimum of 25 people.

Questions? Please call 1-800-777-7432 or email mpisano@unitours.com.

Join us on an incredible tour of timeless Campania!

The Order Sons of Italy in America
