Sons of Italy®
SUSTAINING PATRONS CIRCLE

An opportunity for patrons to support the Sons of Italy's charitable causes through recurring monthly giving

“HOW CAN I MAKE AN IMPACTFUL GIFT IN SUPPORT OF SONS OF ITALY CHARITABLE PROGRAMS THAT WILL NOT BREAK THE BANK?”

If you have asked this question, you are not alone. The simple answer is that making an impactful gift is as easy as checking your monthly credit card statement.

Participating in recurring monthly giving is one way to make a significant gift without necessarily feeling a huge impact on your wallet. Monthly giving enables you to give a gift spread out into monthly donations, allowing you to perhaps contribute more generously than you could if making a lump-sum gift. (See the right panel for examples of how affordable monthly giving can be.)

JOIN THE SONS OF ITALY SUSTAINING PATRONS CIRCLE.

Don't defer making a gift because you are unable to give as much as you'd like all at once. Making your gift in recurring monthly donations won't break the bank, and **your personal impact on Sons of Italy Foundation® (SIF) charitable programs or the Commission for Social Justice® (CSJ) will be a significant one.**

By making a recurring monthly commitment of \$10 or more in support of the Sons of Italy's worthy causes, you will become a member of the Sons of Italy Sustaining Patrons Circle*. This group of dedicated philanthropists is an important component of the Sons of Italy's ability to continue crucial support for its programs and causes.

As a member of the **Sons of Italy Sustaining Patrons Circle**, you can take pride in knowing that you are helping uphold the Sons of Italy's work with your regular monthly donations. You will be recognized in the **Sustaining Patrons Circle Honor Roll** in multi-media materials and will be sent an end-of-the-year acknowledgment letter.

HOW DOES MONTHLY GIVING WORK?

Support any or all of the SIF's charitable programs with an affordable monthly commitment of any amount. Your gift may be applied to support Cooley's anemia, Alzheimer's or autism research and family services, the national scholarship program, domestic and international emergency relief, veterans' programs, or let the SIF apply your gift where it is needed most. You may also support the CSJ with monthly gifts. **You decide!**

Perhaps one of the best features of monthly giving is that it is automatic. Once you sign up, your donation is automatically charged to your credit card once a month. You do not need to do anything more. (See the back panel for why this method of giving is as secure as it is easy.)

But the power is still in your hands: Continue making monthly donations as long as you wish. If you need to change the credit card to which your monthly donations are charged, make donations by another method, increase or decrease your donation amount, or suspend making gifts altogether, contact the National Office and your request will be immediately processed.

CAN I AFFORD MONTHLY GIVING?

Yes! A monthly giving plan spreads your annual gift goal amount into smaller monthly donations. For example, if you plan to make an annual gift of \$200, your recurring monthly donation would be only \$16.66 a month.

Annual Gift Goal:	Monthly Donation:
\$420	\$35.00
\$300	\$25.00
\$240	\$20.00
\$200	\$16.66
\$150	\$12.50
\$120	\$10.00
